BOOKING FORM

IN THE LAST 25 YEARS THERE HAS BEEN VIRTUALLY NO IMPROVEMENT IN CANCER SURVIVAL OUTCOMES FOR 15 TO 30 YEAR OLDS

Sony Foundation's You Can campaign seeks to raise \$15 million to help address the needs of this forgotten generation by building specialised youth cancer wards across the country. We are asking the Australian public to support the You Can campaign by recycling old mobile phones. Go to www.youcan.org.au to find out how you can donate your old mobile phone so we can urgently establish the wards and services young Australians so desperately need.
